

Dear Prospective Member:

Thank you for your interest regarding social membership at Silver Springs Golf and Country Club.

Silver Springs is a member owned, full equity share Club which prides itself in its championship par 72 golf course. Designed originally by renowned golf course architect, Dick Phelps, Silver Springs' tree-lined fairways give the golf course a feel that is difficult to duplicate in the city. The golf course winds itself through the coulees and plateaus of northwest Calgary and presents the player with a wide diversity of terrain and elevation changes.

A golf course is truly a reflection of its membership. Silver Springs boasts a very active club membership with over 500 active members, 200 active spouses, and some 200 juniors.

The 20,000 square foot, newly renovated Clubhouse has facilities to take care of all your dining and meeting room requirements. There is something for everyone on the menu in the bright and open lounge overlooking the eighteenth green, or enjoy a full-course meal in the dining area or new, outdoor patio with spectacular views of Canada Olympic Park and the Rockies. With several meeting rooms and a large banquet area, Silver Springs can cater to functions from two to two hundred and fifty people.

One of Calgary's finest golf courses, great food with spectacular views, service dedicated to making every member and guest feel special, all in a picturesque setting only minutes from downtown Calgary. Come in and see why you should become a social member at Silver Springs today.

If you have any questions or require additional information after reviewing the enclosed, please do not hesitate to contact Sheryle Rowland at 403-286-1456 or email srowland@silverspringsgolfclub.com.

Golf memberships are also available at very competitive pricing.

We would be happy to arrange a tour of the Club and its facilities at your convenience. We look forward to receiving your application and welcoming you as a valued member of Silver Springs.
